Coffee

If you are like a lot of other North Americans, you like to start your day with a cup of coffee. Coffee contains a substance called caffeine. In humans caffeine is a stimulant. It makes you feel more awake and alert. Many people start their day with a cup of coffee because of the stimulant effects. In fact, about 90% of North Americans drink coffee.

Coffee is the third most popular drink in the world. Only tea and water are more popular than coffee. Coffee beans are actually the seeds of coffee cherries that grow on coffee plants. The beans are green when they are picked. Most of the coffee that is sold in coffee shops and grocery stores is brown. It is brown because the beans have been roasted at high temperatures. The roasting gives the beans their different flavours. Some coffees are darker and stronger tasting than other coffees. You can buy green coffee beans from some stores if you want to roast your own beans.

In North America, a latte is coffee that has steamed milk added to it. A cafe mocha is coffee with steamed milk and some chocolate added to it. Sometimes whipped cream is put on the top of a cafe mocha. Coffees with different flavours added to them are very popular.

True or false?

1. Coffee beans are green before they are roasted.
2. Many North Americans have coffee in the morning.
3. Not very many North Americans drink coffee.
4. In North America, a latte has chocolate in it.

Vocabulary

bergamot - a type of citrus fruit grown mostly in Italy

flavour - the particular taste of a food or drink

steep - to soak in liquid

Reading 2

Tea

Tea is easy to make. You just pour hot water over some dried tea leaves and let it steep for a minute or two. Milk, sugar, honey and lemon are some things that people put in their tea. On a hot day it is nice to have a drink of iced tea.

Tea is one of the oldest and most popular drinks in the world. There are different types of tea such as green tea, white tea and black tea. They are all made from the leaves of the tea plant. Tea plants grow in the warmer parts of the world.

Some people like to drink flavoured tea. Earl Grey is a popular black tea that has had bergamot added to it. Jasmine tea is a green or white Chinese tea with jasmine flowers added to it. Jasmine tea has been popular in China for more than a thousand years. Mint tea is popular in northern Africa and in Arab countries. It is made with green tea, fresh mint leaves and sugar.

Fill in the blanks:

1. Mint tea is usually made from water, mint leaves and
2. Tea leaves come from tea
3. Bergamot is added to tea to make tea.
4. Hot water is poured over tea leaves to make tea.
5. Some people add milk, sugar or to their tea.
6. One of the popular flavoured teas in China is tea.

Audioscript 1

Employee: Hello. Can I take your order?

Customer: Yes. I'd like a large pepperoni pizza with mushrooms and green peppers.

Employee: Would you like anything else?

Customer: Well, wait. Uh, can I make that a half-and-half pizza?

Employee: Sure. What would you like on each half?

Customer: Uh, what toppings do you have?

Employee: Well, we have Italian sausage, ham, mushrooms, onions, pineapple, black olives, green peppers, bacon, tomatoes, shrimp, clams, and squid.

Customer: Shrimp, clams, and squid!? What kind of pizza is that?

Employee: Uh, the manager spent some time overseas [*Oh.*], and thinks his new seafood pizza will be a hit with customers, but to be honest, the "Swimmer's Special," as he calls it, is an acquired taste.

Customer: Uh, I'll pass on the "Sink or Swim" special, but I'll have pepperoni and mushrooms on one half and green peppers and Italian sausage on the other. Oh, and could I get extra cheese on that pizza?

Employee: Alright. Would you care for any bread sticks or beverage with your order? [*Well . . . I don't know.*] Actually, we have a Friday night special going on right now [*Oh!*], and if you order any large pizza and drink, we'll throw in a free order of bread sticks, plus a three dollar coupon for use with your next pizza order.

Customer: Huh, sure, why not. And what drink comes with the pizza?

Employee: Either apple or orange juice.

Customer: I'll take orange juice.

Employee: Okay. Your total comes to fifteen nineteen, which includes tax. [*Okay.*] And could I have your name?

Customer: Uh, yeah, Jay Han.

Employee: Huh? Did you say "Jay Hand"?

Customer: No, it's "Han." Actually, it's a Korean name, but many people have difficulty making it out. Hey, maybe I SHOULD change my name to "Hand."

Employee: Ah, names are important; don't change it. [*Okay.*] Oh, and your address and telephone number?

Customer: It's 1340 South 16 East, and the phone number is 340-1870 (three-four-zero-eighteen, seventy).

Employee: Okay. Let me repeat your order. A large half-and-half pizza. [*Okay.*] One half with pepperoni [*Yeah.*] and mushrooms and the other with Italian sausage and green peppers. [*Yeah.*] Orange juice and your free order of bread sticks. Jan "Han," not "Hand," [*Yeah, that's right.*] at 1340 South 16 East, 340-1817. Is that correct?

Customer: Everything except for the phone number. It's 1870, not 1817.

Employee: Alright. Thanks for your order. It should arrive at your doorstep in 30 minutes or less, or you'll receive a free small pizza with your next order.

Customer: Great. Thanks.

Audioscript 2

Server: Hi. Welcome to Joe's Hamburger Restaurant. [*Hi*] Home of the one-pound super deluxe hot and spicy cheeseburger. Will this be for here or to go?

Customer: Uh, to go.

Server: Okay. What would you like today? Would you like to try the one-pound super hot and spicy cheeseburger?

Customer: Uh. I don't think so. I'd probably have heartburn for a week after downing that monster.

Server: Well. It's our house special this week, and it comes with fries, and a large specialty drink called "Everything-but-the-kitchen-sink."

Customer: A what? "Everything-but-the-kitchen-sink"? What in the world is that?

Server: Well, it's a little mix of everything in a large cup: Pepsi, Sprite, Fanta Orange, and lemonade with crushed ice and a scoop of ice cream.

Customer: Ah, that sounds disgusting.

Server: Hey, it'll grow on you.

Customer: Nay, I think I'll just order a hamburger with some mustard and lettuce and a glass of water.

Server: Boring. Hey. Would you care for anything else like a side order of amazing cheesy onion rings?

Customer: No thank you. Onion rings usually don't agree with me.

Server: Hmm. Okay. Your total comes to ten ninety (\$10.90).

Customer: Ten ninety? For just a hamburger?! You've got to be kidding

Server: Well, the one-pound super deluxe hamburger is nine dollars.

Customer: Hey, I didn't order a one-pound burger. I just wanted a simple burger. That's all.

Server: Well, sir. Joe's Hamburger Restaurant only serves one-pound burgers. [*Man!*] The one-pound super hot and spicy, the one-pound barbecue burger, the one-pound bacon cheese burger, the one-pound . . .

Customer: No, no. Those are all huge.

Server: Well, sir. If you really want something smaller [*Yeah*], you should order from the kids' menu: The half-pound super hot and spicy burger, the half-pound barbecue burger, the half-pound bacon cheese burger, the half-pound . . .

Customer: No. Those are still giant burgers.

Server: Well, in these parts, we are hearty eaters.

Customer: Okay, but you said my total was ten ninety, but the burger only comes to ten bucks. What about the other ninety cents?

Server: Well, sir. We only serve natural spring water from yonder hills, and . . .

Customer: Okay, okay. I'll take the giant burger and a bottle of your spring water. The sandwich should feed me for a week.
